

Christian Service

Merit students who would like to earn extra credit may do so through doing **unpaid service work directly with a church or Christian organization** in 2-hour increments. An approved form will earn a student 50 points on a quiz grade. Limit one per Merit class. Students may not use the same 2 hours for multiple classes. Fall semester work is accepted from summer to the last day of fall semester. Spring semester work must be done from Christmas break to the last day of class spring semester.

**Submit this form to the teacher once it is approved by Dr. Ivey. Incomplete forms are not accepted.**
