

Hello 6th grade parents!

Your student's summer assignment is to read good books, spend time with family & friends, and limit screen time.

Additionally, the ACT Academy offers no-cost math and language arts practice opportunities online at act.org/academy. Finally, I hope your student gets to enjoy plenty of downtime just being a kid over the summer - we will see you on July 30th for back to school day!

Mrs. Shari Allen
Middle School Assistant Principal
Eagle's Landing Christian Academy
