

After-School Enrichment Program (K5-12)

PARENT INFORMATION

The ELCA After-School Programs provide an enriched environment for students who need after school care. Students enjoy participating in various activities such as computer time, games and recreational activity while in a controlled setting. This program offers homework supervision and assistance and provides a snack for the students. Enrichment hours are from after school until 6:30 PM daily. Students not involved in a sport, club or other after school activity who remain on campus after 3:30 PM must be enrolled in the after-school program or risk an automatic detention for not being supervised.

COST: \$55 weekly * Drop-In: \$16/day

If your child is enrolled in ASEP, the weekly charge will appear on the monthly tuition statement regardless of the hours or number of days the child attends. If you wish to discontinue enrollment in the program, a completed withdrawal form is required to stop billing. Students who are withdrawn from the program and are later re-enrolled will incur a **\$25 re-enrollment fee**. Students who will attend on a drop-in basis should not be “enrolled.”

ENRICHMENT PROGRAM DISMISSAL: (After 3:15)

When picking up your child from ASEP, park at the elementary (playground) side of the building. Sign out your child at the desk across from the library and the student will be called to go home. Students will only be released to those *listed in RenWeb* as having permission to pick up the student.

ON DAYS NOT ATTENDING (Elementary): If your child is enrolled in ASEP, the regular classroom teacher will take him/her to enrichment at 3:15 PM. **If there is a day your child will not attend the program, please inform the classroom teacher and go through the carpool line to pick up your child before 3:15.**
